if purchased, provide business name, address and contact person where purchased:

WOODBURY FARMER'S MARKET RULES & REGULATIONS 2011

MISSION STATEMENT

The Woodbury Farmer's Market is sponsored by Main Street Woodbury, Inc. a non-profit volunteer organization. The Farmers Market Committee is a sub-committee of Main Street Woodbury. They are a volunteer group of residents, charged with operating the Market and developing and promoting the Woodbury Farmer's Market.

RULES

Vendors may start to set up by 1 PM, and must be closed up and ready to leave no later than 7 PM. Selling may only take place during the market hours of operation of 2:00 PM to 6:00 PM.

Vendors must unload their vehicles at their site and park their vehicles in the customer parking lot. Growers are permitted to keep 1 truck at their site if they will actively use it for their operation (e.g., storing produce to replenish their tables).

While the Market is open **no moving vehicles are permitted in the market area.**

Each vendor will be assigned three (3) parking spaces for their selling space. Vendors who sign up for the full season will be given a permanent location for the season.

Vendors must have:

- a) their farm / business /organization name & address clearly displayed at their site
- b) prices for all items listed legibly and in clear view
- c) Jersey grown produce marked with "Jersey Fresh" price cards (available from the NJ Dept of Agriculture at www.nj.gov/agriculture/divisions/md/pdf/pointpurch/pdf)

and must be in compliance with the Minimum Food Safety Requirements for Product Sales at Community Farmers' Markets: www.nj.gov/agriculture/divisions/md/pdf/farmmarketguidelines.pdf

Our market is located in an asphalt, no-shade parking lot, during the summer. Vendors **must** set up a canopy, or a free standing umbrella, to provide shade for you, your product and your customers. Weights must also be provided. In the event of winds, non-weighted tents & umbrellas will take off in a gusty wind and can be dangerous.

Restroom facilities are available in the train station. Water and electric hook up are available in the market lot at no fee. Electric users must provide their own extension cords. Vendors are responsible to ensure that hoses and cords do not present any hazard to the customers or the market operation.

An on-site Market Manager will be responsible for the orderly operation of the market. All questions and issues are to be directed to the Market Manager, whose decision is final. If an issue is not resolved to your satisfaction, you may put it in writing and present it to the Farmers Market Committee for final resolution. The Farmer's Market Committee meets on the second Tuesday of each month, in the Woodbury Library at 7:00PM.

Smoking and alcoholic beverages are not permitted at any time.

The Farmers Market Committee reserves the right to limit authorization on who may sell at the market, what is to be sold at the market, and what activities may be conducted at the market.
